Meet the amazing BHA's that put in work around the clock and why they enjoy working at Ivory Plains:

Michelle Vasquez:

I chose this field because I am an addict. I have been in recovery for 10.5 years, and I believe that every person deserves a chance at a great life. I love watching the transformation in our clients and seeing the life come back into their eyes as they reach sobriety. I believe that I have been called by a higher power to reach back in and help guide people out of the darkness. WE DO RECOVER!

RECOVERY IS
NOT FOR
PEOPLE WHO
NEED IT,
IT'S FOR
PEOPLE
WHO
WANT IT

Jacqueline Mccorkel:

I have enjoyed working for a company whose goal is to help others in their time, hope, and kindness, or a listening ear, are sometimes all that is needed in difficult times. To bring some or hope to a new road of life is more satisfying than just serving people.

I would recommend anyone to try a new adventure and see how rewarding it feels to help others.

I AM NOT DEFINED
BY MY RELAPSES,
BUT BY MY
DECISION TO
REMAIN IN
RECOVERY
DESPITE THEM
