Ivory Plains hosted 3 new alumni ambassadors at the facility this past December.

The ambassadors receive a signed certificate, place their handprint on the graduation wall, and receive alumni ambassador business cards and other goodies. If you are an alumni interested in returning to speak at the facility or learning more about the alumni ambassador program; contact Anna at 712-304-2722. Thank you for your dedication to the Ivory Plains Community! And shout out to our other passionate ambassadors who are not pictured below

Staff have begun to join the alumni zoom calls every Tuesday from 7pm-8pm.

Each hour is filled with reflection, laughter, support, and community. Message Anna for the link to the meetings 712-304-2722.

A note from your Alumni Coordinator:

Happy New Years 2026!

Before the new year begins, remember to reflect back and ask yourself - how free do you want to be from your addiction?

What work are you willing to put into your sobriety?

“If you think you can or you can’t - you are right.”

So proud of each and every one of you, the journey you are on, and who you are becoming.

Thank you all for letting me be apart of your story and community.

-Anna Van Heukelom, Alumni Coordinator at Ivory Plains Recovery Center
